How to transfer from VMBS to International Banks

STEPS	INSTRUCTIONS
1	Log into VM Express Online and select **Payments and Transfers**, then select **Transfers and Payments.**
2	Click drop down arrow beside **Select Payment Type** and select **International Transfers**.
3	Enter recipient account number, the beneficiary's name and address.
4	Enter the recipient bank SWIFT code and the transfer amount.
5	Select reason for payment then press **Submit.**
6	Enter the one-time password (OTP) code sent via SMS text to your mobile phone and confirm payment. Multiple authorisation results will display.
