Any changes to the Rewards Programme will be notified to you through updates via our website at www.myvmgroup.com

VMBS may at its sole discretion discontinue or suspend the Rewards Programme at any time upon giving not less than 45 days’ Notice.

Enrollment and Eligibility

To be eligible to enroll in the Rewards Programme, you must be the Primary cardholder, and your Card Account must be in Good Standing. Your eligibility requirements must be satisfied at all times in order for continued participation in the Rewards Programme. If you no longer satisfy the eligibility requirements at any time, we reserve the right to restrict your access to the Reward Points you may have earned.

We may at our sole discretion cancel your enrollment in the programme for any reason at any time.

Reward Points

You may earn Reward Points by using your credit card to make purchases. Reward Points will be earned based on Net Purchases – which means the purchase of goods and services that you or an authorised user charges to your Card Account, less any credit, refunds or returns.

Reward Points will be considered as ‘earned’ once the originating eligible transaction has been processed by the merchant and posted by VMBS to your Card Account.

Our website provides the details of the relevant dollar value of each net purchase, which may change from time to time, and is equivalent to each Reward Point earned.

If you are refunded for an item purchased with your VM Credit Card, we will deduct from your Reward Account the Reward Points you previously received for the purchase of the item. If you return an item after you have already earned Reward Points and all these points have been redeemed, We reserve the right to deduct from your Card Account the dollar value of the Reward Points in relation to the original purchase transaction.

No Reward Points will be earned for Cash Advances, Balance Transfers, unauthorised or fraudulent charges, interest charges, fees or for the redemption of Reward Points.

The total number of Reward Points that may be accumulated at any period may be capped at the sole discretion of VMBS and the details in relation to caps placed on Reward Points is available at our website at myvmgroup.com

My Rewards Mobile App or Website

As the Primary Cardholder, you may access your My Rewards account via our website at (myvmgroup.com) or find the app by “My Rewards by Visa Loyalty Solutions” at any virtual store to link your VMBS Credit Card to a digital card.

The My Rewards website and the App allows Primary cardholders to register to access information on the programme and how to redeem Reward Points, if applicable.

All cardholders will be eligible to utilize the My Rewards platform. We reserve the right to credit promotional points earned to our My Rewards platform where the redemption options may be used. Cardholders in a cashback programme may opt to purchase additional points to facilitate redemption on the My Rewards platform.

Reward Points Balance

Reward Points for cards participating in redemptions via the My Rewards app may be viewed at any time by logging into the app or website. Reward Points will be updated on a daily basis subject to transaction settlement by the merchant. Current Reward Points balance for cards participating in cashback programmes may be obtained by contacting our Member Engagement centre at the number shown on the back of your card or email creditcardmanager@myvmgroup.com.

Reward Points will be automatically credited for accounts participating in a cashback programme.

Reward Points have no cash value and can only be redeemed for the reward shown on the website while your enrollment in the programme remains in effect. The Reward Points reflected on your Reward Account does not give you ownership rights to the points and do not constitute property owned by you.

Redemption

Your Reward Points may only be redeemed by the Primary Cardholder. -

To be eligible for redemption of Reward Points your Card Account must be in good standing and you must have the required number of Reward Points eligible for redemption on your Reward Account balance.

For cards participating in cash back programmes, Reward Points are automatically redeemed by credit of the monetary value to your Card Account on a schedule according to your product reward programme. For more information you may view the Rewards Schedule at www.myvmgroup.com.

For cards participating in redemption via the MyRewards App, Your (Reward) Account will be debited with the number of Reward Points required to redeem the item or service you selected on the date you request the reward. You will be notified after processing of the request with the details of the redemption.

For refund or reversal of transactions processed using the My Rewards virtual card or website, kindly refer to the terms and conditions of use for that portal.

All reward offerings are subject to availability and other such terms and conditions as may be stated in that specific reward programme.

Reward Points which remain unredeemed after the (expiration) period stipulated on our website may be automatically cancelled without notice to you.

Redemption values for Reward Points may vary from time to time and the redemption values will be displayed on our website.

Where applicable, automatic cashback redemption will be facilitated as statement credit. Cashback is assessed at the end of the quarterly billing and is applied during the subsequent statement cycle.

When Reward Points are applied as statement credit denoted as “cashback”, the outstanding balance on Card Account may be reduced. Nevertheless, you are required to pay at least the minimum-payment on or before the payment due date to avoid late payment fee and the restriction of the Card Account.-

Do note that redemption of points may be subjected to a minimum and maximum redeemable amount.

Reward Points will be redeemed using a “first entry in, first entry out” rule. Therefore, the first points earned will be the first points redeemed:

We reserve the right to block the redemption of Reward Points, in the event:

- ▶ the Card Account is in default
- ▶ the Card Account is dormant
- ▶ the Card Account is blocked due to fraudulent activity
- ▶ the Card Account holder infringes the credit card terms and conditions.
